Corbin Jones hails from Denver, Colorado. After graduating *Kum Laude*, completing a Bachelor of Music in Jazz Studies from USC, and marching sousaphone in the Trojan Marching band, his love of groove has led him to performing and recording tuba and sousaphone in a rather wide variety of musical arenas. He has appeared side-lining on a number of commercials and television shows, including FOX's *Speechless* and CBS's *The Neighborhood*. Notable jazz collaborations include recording for Aga Zaryan's *High & Low*, performances with Pan-Afrikan Peoples Arkestra, Mark de Clive-Lowe and many shows with Sammy Miller & The Congregation - including performances in Jazz at Lincoln Center, 2016 and 2017 Umbria Jazz Festivals in Perugia Italy, and 2019 Newport Jazz Festival. Jones has also performed on trombone for Gwen Stefani, and most recently sousaphone on Beyonce and Jay-Z's OTR II world tour, Grammy-winning *Everything is Love* album, and *Homecoming: The Live Album*.
